Commissioner for Patents  
Alexandria, VA 22313-1450

Dear Sir:

Submitted herewith is a sequence listing as part of the above-captioned patent application. Applicants' representative states that the content of the attached paper copy and the computer readable copy of the Sequence Listing, submitted in the parent application U.S. Serial No. 09/953,349, filed on September 13, 2001, in accordance with 37 CFR 1.821(c) and (e), respectively, are the same.

Applicants' representative hereby verifies that the information on the diskette submitted in 09/953,349 is identical to the written sequence listing. The enclosed sequence listing does not include any new matter that goes beyond the disclosure in the captioned application as filed.

In accordance with 37 C.F.R. 821(e), please use the computer readable form filed in that application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary changes in application number and filing date for the computer readable form that will be used for the instant application.

A paper copy of the original Sequence Listing is attached.

Respectfully submitted,

Dated: January 23, 2004
